February Mini Camp

Looking for something fun to do during February vacation week? We are calling all robots to join the KAST staff for a fun filled week games and activities! Bolt on over to hanoverrec.com to check out the daily schedule and to find registration details. Space is limited!

Snowshoeing and Yoga

In January we started getting the snowshoes out for some walks around the school. The kids enjoyed learning the basics of snowshoeing and playing various games on the field. Snowshoeing will continue on Fridays throughout February as long as weather and snow conditions cooperate. Yoga was also a new activity offered and has been a huge success! Yoga will continue to be offered on Mondays with Amanda. We encourage families to share these awesome opportunities being offered at KAST!

Meet the Staff

My name is Neal, I am a junior at Hanover High School. In my free time, I like spending time in the outdoors and playing sports. I play soccer and do Muay Thai, a martial art similar to boxing. I started working at HPR last summer at Camp Dragonfly and just recently began working at KAST.

Hello my name is Debora. This is my first year with the KAST program. I enjoy art and sharing the natural creativity that comes from being with the children. I am looking forward to the rest of the school year with KAST!

Ford Sayre

Thank you again to the parent volunteers who have helped us so far and thank you to everyone who has signed up to help us in the coming weeks! We could still use more helping hands so please email Nicole Leonard if you are able to help out on a Ford Sayre Day if your child is participating!

Groups will be going out between 2:30 and 4:30pm. Please let us know if you child cannot participate on a particular Wednesday. As always, please pack your child with extra winter gear!
